Once I had a secret love that lived with-in the heart of me

All too soon my secret love be-came im-patient to be free

So I told a friendly star the way that dreamers often do

Just how wonderful you are and why I'm so in love with you

Now I shout it from the highest hills; even told the golden daffo - dils.

At last my heart's an open door, and my secret love's no secret, my secret love's no secret,

My secret love's no secret any more
