THE SEINE-Irving Burgie

Intro: |   |   | (X2)

One night along the river at St-Germain-des-Prés,

I first met my be-loved at a small sidewalk ca-fe.

We walked along the river, the shadows passing by,

But we only saw each other, the shining water and the sky.

The Seine, the Seine, when will I a-gain

Meet her there, greet her there on the moonlit banks of the Seine?

Standing there across the river, mid sound of horn and tram,

In all her quiet beauty, the Ca-thedral Notre Dame,
p.2. The Seine

And as we passed be-side her, I said a little prayer

That when this dream was over, I'd awake and find you there.

Chorus ("The Seine.....")

We walked along the river, till dawn was coming nigh.

Be-neath the Eiffel Tower we said our last good-bye.

There on that splendid morning, I saw you all in tears

And the beauty of that hour will shine within me through the years

Chorus ("The Seine.....") and Coda

Coda:

The Seine, the Seine, when will I a-gain meet her there on the Seine
