Intro: (2 measures)

She’s got a way a-bout her, I don’t know what it is, but I know that I can’t live with-out her

She’s got a way of pleasin’, I don’t know why it is,

But there doesn’t have to be a reason, anyway

She’s got a smile that heals me, I don’t know why it is,

But I have to laugh when she re-veals me

She’s got a way of talkin’, don’t know why it is,

But it lifts me up when we are walkin’ anywhere

She comes to me when I’m feelin’ down, in-spires me, with-out a sound

She touches me, and I get turned a-round
p.2. She’s Got a Way

She’s got a way of showin’ how I make her feel, and I find the strength to keep on goin’

She’s got a light a-round her, and everywhere she goes

A million dreams of love sur-round her, everywhere

She comes to me when I’m feelin’ down, in-spires me, with-out a sound

She touches me, and I get turned a-round, oh-oh, oh-oh, oh-oh,

She’s got a smile that heals me, I don’t know why it is, but I have to laugh when she re-veals me

She’s got a way a-bout her, I don’t know what it is,

But I know that I can’t live with-out her, anyway
