Intro:

She touched me, she put her hand near mine, and then she touched me

I felt a sudden tingle when she touched me, a sparkle, a glow

She knew it, it wasn’t accidental, no, she knew it

She smiled, and seemed to tell me so all through it, she knew it, I know

She’s real, and the world is alive and shining

I feel such a wonderful drive toward Valentin

She touched me, I simply have to face the fact, she touched me

Control myself, and try to act as if I remember my name

But she touched me, she touched me, and suddenly nothing is the same

But she touched me, she touched me, and suddenly nothing is the same
She touched me, she put her hand near mine, and then she touched me

She knew it, it wasn’t accidental, no, she knew it

She smiled, and seemed to tell me so all through it, she knew it, I know
