Intro: |  | /: |  | /: |  |  |  | /: |

 
She works hard for the money, so hard for it, honey.

  
She works hard for the money, so you better treat her right (X2)

 
I met her there in the corner stand, and she wonders where she is

  
And it's strange to her, some people seem to have every-thing

 
Nine a.m. on the hour hand, and she's waiting for the bell

  
And she's looking real pretty, just waiting for her clien-tele

 
She works hard for the money, so hard for it, honey.

  
She works hard for the money, so you better treat her right (X2)

p.2. She Works Hard For the Money

Twenty-eight years have come and gone, and she's seen a lot of tears

Of the ones who come in, they really seem to need her there

It's a sacrifice, working day to day, for little money, just tips for pay

But it's worth it all to hear them say that they care

She works hard for the money, so hard for it, honey.

She works hard for the money, so you better treat her right

Already knows she's seen her bad times.

Already knows these are the good times

She'll never sell out, she never will, not for a dollar bill, she works hard

Interlude: (     **) (X2)**

She works hard for the money, so hard for it, honey.

She works hard for the money, so you better treat her right (X2)
