

SING C

# A SIGN OF THE TIMES (BAR)-Tony Hatch/Jackie Trent

4/4 1...2...1234

**Intro:** |  |  |  |  | (X2)

It's a sign of the times

that your love for me is getting so much stronger

It's a sign of the times,

and I know that I won't have to wait much longer

You've changed a lot somehow from the one I used to know

For when you hold me now, I feel like you never want to let me go

It's a sign of the times

that you call me up whenever you feel lonely

It's a sign of the times

that you tell your friends that I'm your one and only

I'll never understand the way you treated me

But, when I hold your hand, I know you couldn't be the way you used to be

May-be my lucky star at last de-cided to shine

May - be some-body knows how long I've waited to make you mine

**p.2. A Sign of the Times**

**Interlude: First 2 lines**

**I'll never understand the way you treated me**

**But, when I hold your hand, I know you couldn't be the way you used to be**

**May-be my lucky star at last de-cided to shine**

**May - be some-body knows how long I've waited to make you mine**

**It's a sign of the times that you kiss me now as if you really mean it**

**It's a sign of the times, and a year a-go I never could have seen it**

**Don't ever change your mind, and take your love away**

**Just leave the past behind, and, baby, only think of how it is today**

**It's a sign of the times, it's a sign of the times (repeat and fade)**
