SIR DUKE (BAR) - Stevie Wonder

4/4 1...2...1234

Intro: \[// \quad // \quad // \quad // \quad // \quad (X2)\]

Music is a world within itself, with a language we all understand

With an equal opportunity, for all to sing, dance and clap their hands

But just because a record has a groove, don't make it in the groove

But you can tell right away at letter A, when the people start to move

They can feel it all over, they can feel it all over people

They can feel it all over, they can feel it all over people

D (During solo, every 8 slow beats x 4, then A7-2 quick chops)

Music knows it is and always will be one of the things that life just won't quit

But here are some of music's pioneers that time will not allow us to forget
For there's Basie, Miller, Satch-mo, and the king of all Sir Duke

And with a voice like Ella's ringing out, there's no way the band can lose

You can feel it all over, you can feel it all over people

You can feel it all over, you can feel it all over people

You can feel it all over, you can feel it all over people

You can feel it all over, you can feel it all over people
