

SING A

SO FAR AWAY (BAR)-Carole King

4/4 1...2...1234 (slow count)

Intro: |    |    | (X2)

So far a-way, doesn't anybody stay in one place anymore

It would be so fine to see your face at my door, doesn't help to know you're just

Time a-way, long ago I reached for you and there you stood

Holding you a-gain could only do me good, oh, how I wish I could

But you're so far a-way

One more song about movin' along the highway

Can't say much of anything that's new

 

If I could only work this life out my way

   

I'd rather spend it being close to you

p.2. So Far Away

But you're so far a-way, doesn't anybody stay in one place anymore

It would be so fine to see your face at my door,

Doesn't help to know you're so far a-way, yeh, you're so far away

Traveling around sure gets me down and lonely

Nothing else to do but close my mind

I sure hope the road don't come to own me

There's so many dreams I've yet to find

But you're so far a-way, doesn't anybody stay in one place anymore

It would be so fine to see your face at my door,

And it doesn't help to know you're so far a-way, yeh, you're so far away

Hey, you're so far.....a-way
