# SOMEBODY'S KNOCKIN' -Ed Penney/Jerry Gillespie

4/4 1...2...1234

Intro:

(4 measures)

Somebody's knockin', should I let him in?

Lord, it's the Devil, would you look at him

I've heard about him, but I never dreamed he'd have blue eyes and blue jeans

Well, somebody's talkin', he's whisperin' to me,

your place or my place, well, which will it be?

I'm gettin' weaker and he's comin' on strong, but I don't wanna go wrong

He must have tapped my telephone line,

he must have known, I'm spendin' my time a-lone

He says we'll have one heavenly night,

My fever's burnin', so he ought be right at home

Somebody's knockin', should I let him in?

Lord, it's the Devil, would you look at him

I've heard about him, but I never dreamed he'd have blue eyes and blue jeans
