Intro:  |   |   | (X2)

When you ask how I've been here without you, I like to say I've been fine, and I do.

But we both know the truth is hard to come by. And if I told the truth, that's not quite true.

Some days are diamonds, some days are stone.

Sometimes the hard times won't leave me alone.

Sometimes the cold wind blows a chill in my bones.

Some days are diamonds, some days are stone.

Interlude:  |   |   | (X2)

Now the face that I see in my mirror, more and more is a stranger to me.

More and more I can see there's a danger in becoming what I never thought I'd be.
Some days are diamonds, some days are stone.

Sometimes the hard times won't leave me a-lone.

Sometimes the cold wind blows a chill in my bones.

Some days are diamonds, some days are stone.
