

SING D

# SOME ENCHANTED EVENING

4/4 1...2...1234

-Rodgers and Hammerstein

**Intro:** |  |  | **(X2)**

Some enchanted evening, you may see a stranger,

You may see a stranger across a crowded room,

And somehow you know, you know even then,

That somewhere you'll see her a-gain and a-gain.

Some enchanted evening, someone may be laughing,

You may hear her laughing across a crowded room,

And night after night, as strange as it seems,

The sound of her laughter will sing in your dreams.

**p.2. Some Enchanted Evening**

**Who can explain it, who can tell you why?**

**Fools give you reasons, wise men never try.**

**Some enchanted evening, when you find your true love,**

**When you hear her call you across a crowded room,**

**Then fly to her side and make her your own,**

**Or all through your life you may dream all a-lone.**

**Once you have found her, never let her go,**

**Once you have found her, never let her go.**
