Intro:  

All you have to do is touch my hand, to show me you understand

And something happens to me that's some kind of wonderful

And any time my little world seems blue, I just have to look at you

And everything seems to be some kind of wonderful

Bridge:

I know I can't express this feeling of tenderness

There's so much I wanna say, but the right words just don't come my way

I just know when I'm in your embrace, this world is a happy place

And something happens to me that's some kind of wonderful

Some kind of wonderful (sweet lips), some kind of wonderful (warm eyes)

Some kind of wonderful (soft sigh), it's some kind of wonderful (repeat from bridge)
