SOMETHING TO TALK ABOUT (BAR)-Shirley Eikhard

4/4 1...2...1234

Intro: |  |  |  |  |  |  |  |  |  |  |

People are talkin', talkin' 'bout people, I hear them whisper, you won't believe it

They think we're lovers, kept under cover, I just ignore it, but they keep saying

We laugh just a little too loud, we stand just a little too close

We stare just a little too long, maybe they're seeing somethin' we don't, darlin'

Let's give them somethin' to talk about, let's give them somethin' to talk about

Let's give them somethin' to talk about, how about love

I feel so foolish, I never noticed you'd act so nervous, could you be falling for me

It took the rumor to make me wonder, now I'm convinced that I'm goin' under

p.2. Something To Talk About

Thinkin' 'bout you every day, dreamin' 'bout you every night

I'm hopin' that you feel the same way. Now that we know it, let's really show it, darlin'

Let's give them somethin' to talk about, a little mystery to figure out

Let's give them somethin' to talk about, how about love, love, love

Let's give them somethin' to talk about, babe, a little mystery to figure out

Let's give them somethin' to talk about, how about love, love, love, how about love
