

SONG FOR A WINTER'S NIGHT - Gordon Lightfoot

4/4 1...2...1234

Intro:  (4 measures) |  |  |  |  |  | (X2)

The lamp is burning low u-pon my table top, the snow is softly falling

The air is still in the silence of my room, I hear your voice softly calling

If I could only have you near, to breathe a sigh or two

I would be happy just to hold the hands I love

      (X2) 

On this winter night with you

       

The smoke is rising in the shadows over-head, my glass is almost empty

        

I read a-gain between the lines upon each page the words of love you sent me

p.2. Song For a Winter's Night

If I could know with-in my heart that you were lonely too

I would be happy just to hold the hands I love

On this winter night with you (X2)

The fire is dying now, my lamp is growing dim, the shades of night are lifting

The morning light steals a-cross my window pane, where webs of snow are drifting

If I could only have you near to breathe a sigh or two

I would be happy just to hold the hands I love

On this winter night with you

And to be once again with with you (X4)
