SO SAD - Don Everly

Intro: | | | |  |

We used to have good times to-gether, but now I feel them slip a-way

It makes me cry to see love die,

So sad to watch good love go bad

Remember how you used to feel, dear? You said no-thing could change your mind

It breaks my heart to see us part.

So sad to watch good love go bad

Is it any wonder that I feel so blue, when I know for certain that I'm losing you

Remember how you used to feel, dear? You said no-thing could change your mind

It breaks my heart to see us part. So sad to watch good love go bad

So sad to watch good love……….go bad
