# SPREAD IT AROUND (BAR)-Jerry Foster

4/4 1...2...1234

**Intro:** |     |     |   |

If you woke up this morning on the right side of the bed,

That's a good feelin' spread it a-round

If you can't keep from laughin' at somethin' someone says

That's a good sayin', spread it a-round

You'll find that happiness grows if you let it

Feels good the farther it goes, so go spread it

If you found the way to make sunshine, the whole world should know

       

Tell 'em a-bout it, spread it a-round

        

Interlude:

**p.2. Spread It Around**

**Give your hand to somebody, and help him when he's down**

**Tell him some good news, spread it a-round**

**Sing a little song with kindness, love is a happy sound**

**Stand up and shout it, spread it a-round**

**You'll find that happiness grows if you let it**

**Feels good the farther it goes, so go spread it**

**If you found the way to make sunshine, the whole world should know**

**Tell 'em a-bout it, spread it a-round**

**I said, tell 'em a-bout it, spread it a-round**

**Spread it a-round**
