

# STRAIGHTEN UP AND FLY RIGHT

4/4 1...2...1234

Intro: Lines 5 and 6 ("Straighten up....")

A buzzard took a monkey for a ride in the air

The monkey thought that everything was on the square

The buzzard tried to throw the monkey off his back

But the monkey grabbed his neck and said now listen, Jack

Straighten up and fly right,

straighten up and fly right

Straighten up and fly right,

cool down papa don't you blow your top

Ain't no use in diving,

what's the use of jiving

Straighten up and fly right,

cool down papa don't you blow your top

**p.2 Straighten Up and Fly Right**

**The buzzard told the monkey you are choking me**

**Re-lease your hold and I will set you free**

**The monkey looked the buzzard right dead in the eye**

**And said your story's so touching, but it's sounds just like a lie**

**Straighten up and fly right,**

**straighten up and stay right**

**Straighten up and fly right,**

**cool down papa don't you blow your top**

**Ain't no use in diving,**

**what's the use of jiving**

**Straighten up and fly right,**

**cool down papa don't you blow your**

**Cool down papa don't you blow your, cool down papa don't you blow.....your**

**Cool down papa don't you blow your top!**
