Hot town, summer in the city, back of my neck gettin' dirty and gritty

Been down, isn’t it a pity? Doesn’t seem to be a shadow in the city

All around, people lookin’ half dead, walkin’ on the sidewalk, hotter than a match-head

But at night it’s a different world, go out and find a girl

Come on, come on, and dance all night, despite the heat, it’ll be alright

And, babe, don’t you know it’s a pity, the days can’t be like the nights

In the summer, in the city, in the summer, in the city

Cool town, evening in the city, dressin’ so fine, and lookin’ so pretty

Cool cat, lookin’ for a kitty, gonna look in every corner of the city

Till I’m wheezin’ like a bus stop, runnin’ up the stairs, gonna meet you on the rooftop
