Intro: | C B | (X2) | Em Em7 C#dim | C B | (X2)

Em   Em7   C#dim   C   B

Hot town, summer in the city, back of my neck gettin' dirty and gritty

Em   Em7   C#dim   C   B

Been down, isn't it a pity? Doesn't seem to be a shadow in the city

B   B7   Em   E7

All around, people lookin' half dead, walkin' on the sidewalk, hotter than a match-head

A   D   A   D

But at night it's a different world,   go out and find a girl

A   D   A   D

Come on, come on, and dance all night, despite the heat, it'll be alright

F#m   B   F#m   B

And, babe, don't you know it's a pity, the days can't be like the nights

F#m   B   F#m   B

In the summer, in the city, in the summer, in the city

Em   Em7   C#dim   C   B

Cool town, evening in the city, dressin' so fine, and lookin' so pretty

Em   Em7   C#dim   C   B

Cool cat, lookin' for a kitty, gonna look in every corner of the city

B   B7   Em   E7

Till I'm wheezin' like a bus stop, runnin' up the stairs, gonna meet you on the rooftop

A   D   A   D

But at night it's a different world,   go out and find a girl

A   D   A   D

Come on, come on, and dance all night, despite the heat, it'll be alright

F#m   B   F#m   B

And, babe, don't you know it's a pity, the days can't be like the nights
