A SUMMER SONG - Stuart/Metcalfe/Noble

4/4 1...2...1234

Intro:

Trees swayin' in the summer breeze,

Showin' off their silver leaves, as we walked by

Soft kisses on a summer's day,

Laughing all our cares a-way, just you and I

Sweet sleepy warmth of summer nights,

Gazing at the distant lights in the starry sky

They say that all good things must end some day, autumn leaves must fall
p.2. A Summer Song

But don't you know that it hurts me so to say goodbye to you

And when the rain beats against my window pane

I'll think of summer days a-gain, and dream of you

They say that all good things must end some day, autumn leaves must fall

But don't you know that it hurts me so to say goodbye to you

And when the rain beats against my window pane

I'll think of summer days a-gain, and dream of you
