THE SUMMER WIND

Intro: First 4 chords X2

D          D6         Dm7A7     D6         Em7         A7

The summer wind came blowin’ in from a-cross the sea

Em7       A7         Em7       A7       D         D6

It lingered there, so warm and fair, to walk with me

Am7       D7        Am7       D7        Gm7A7       Gm6

All summer long, we sang a song and strolled on golden sand

D6        B7        Em7        A7        D        A7

Two sweethearts and, and the summer wind

D        D6        Dm7A7     D6        Em7        A7

Like painted kites those days and nights went flyin’ by

Em7        A7        Em7        A7        D        D6

The world was new, be-neath a blue um-brella sky

Am7       D7        Am7       D7        Gm7A7       Gm6

Then softer than a piper man one day it called to you

D6        B7        Em7        A7        D        A7

And I lost you to..... .... to the summerwind

D        D6        Dm7A7     D6        Em7        A7

The autumn wind and the winter wind have come and gone

Em7        A7        Em7        A7        D        D6

And still the days, those lonely days go on and on

Am7       D7        Am7       D7        Gm7A7       Gm6

And guess who sighs his lulla- bies through nights that never end

D6        B7        Em7        A7        D        A7        D        A7        D        D6

My fickle friend, the summer wind.......the summer wind.......the summer wind.
