SUNLIGHT - Jesse Colin Young
4/4 1...2...1234

Intro: | Gm7 | FMA7 | (X2)

Have you seen the sunlight, pourin’ through her hair

And felt her warm mouth on you in the summer’s air

Runnin’ in a field of brown, laughin’, rollin’ on the ground,

Smilin’ as she pulls you down

That’s the way she feels a-bout you, that’s the way she feels a-bout you

If your dreams should wake you, screamin’ in the night

She can touch your face, and take away your fright

Like a tree in the meadow wind, she will bend to take you in

Makes no difference where you been

That’s the way she feels a-bout you, that’s the way she feels a-bout you
If you wake up screamin’, scared about what you’re dreamin’

You know she is there, she can share, you’re a - ware she cares about you

In the mornin’, wake up laughin’ with the day

She will smile, and ask you with her eyes to stay

Like the sunshine warms the sand, she will touch you with her hand

Touchin’ makes you understand,

That’s the way she feels a - bout you, that’s the way she feels a - bout you

Interlude: | | | | (X2)

Like the sunshine warms the sand, she will touch you with her hand

Touchin’ makes you understand, that’s the way she feels a - bout you
