

SUNSHINE-Irving Berlin

4/4 1...2...1234

Intro: |  |  |  |  |  |  |  |

A lot of cobwebs in your head you're getting rusty so you said

You're feeling bad, and everything looks gray in-side

You're getting worried, yes, indeed. I know exactly what you need

A little sunshine will make you feel o-kay

Give the blues a chase, find a sunny place, go on and paint your face with sunshine

Pay your doctor bills, throw away his pills, you can cure your ills with sunshine

Why don't you take your teardrops one by one before it gets too late

Hang them up out in the sun, and they'll evapo-rate

p.2. Sunshine

When the troubles start pounding at your heart, trouble will de-part with sunshine.

Interlude:

Pay your doctor bills, throw away his pills, you can cure your ills with sunshine

Why don't you take your teardrops one by one before it gets too late

Hang them up out in the sun, and they'll evapo-rate

When the troubles start pounding at your heart, trouble will de-part with sunshine.
