SURREY WITH THE FRINGE ON THE TOP_(BAR)

4/4

-Rogers and Hammerstein

When I take you out to-night with me, honey, here's the way it's gonna be

You will sit be-hind a team of snow white hor - ses, in the slickest gig you'll ever see

Chicks and ducks and geese better scurry, when I take you out in my surrey
Watch that fringe and see how it flutters, when I drive them high steppin' strutters

When I take you out in my surrey with the fringe on top (2nd verse)
Nosy pokes will peek through their shutters, and their eyes will pop!

The wheels are yellow, the up-holstry's brown, the dashboard's genuine leather

With Isinglass curtains you can roll right down, in case there's a change in the wea - ther

Two bright side lights winkin' and blinkin', ain't no finer rig I'm a thinkin'

You can keep your rig if you're thinkin that I'd kee to swap

Fer that shiny little surrey with the fringe on the top

p.2. Surrey With the Fringe On Top

Would you say the fringe was made of silk? Wouldn't have no other kind but silk

Has it really got a team of snow-white horses? One's like snow, the other's more like milk

I can see the stars gettin' blurry, when we ride back home in the surrey

Ridin' slowly home in the surrey with the fringe on top

I can feel the day gettin' older, feel a sleepy head near my shoulder,

Noddin', droopin, close to my shoulder, till it falls ker-plop

The sun is swimming on the rim of a hill, the moon is taking a header

And just when I'm thinking all the earth is still, a lark wakes up in the mea - der

Hush, you bird, my baby's a sleepin'. Maybe got a dream worth a keepin'

Whoa, you team, and just keep a creepin' at a slow clip clop

Don't you hurry, little surrey with the fringe on the top
