SWINGING ON A STAR (BAR)

Intro:

Would you like to swing on a star? Carry moonbeams home in a jar?

And be better off than you are? Or would you rather be a mule?

A mule is an animal with long funny ears, Kicks up at anything he hears.

His back is brawny but his brain is weak, He's just plain stupid with a stubborn streak.

And by the way, if you hate to go to school, You may grow up to be a mule.

Or would you like to swing on a star? Carry moonbeams home in a jar?

And be better off than you are? Or would you rather be a pig?

A pig is an animal with dirt on his face; his shoes are a terrible disgrace.

He has no manners when he eats his food, he's fat and lazy and ex-tremely rude;

But if you don't care a feather or a fig, you may grow up to be a pig.
Or would you like to swing on a star? Carry moonbeams home in a jar?

And be better off than you are? Or would you rather be a fish?

A fish won't do anything, but swim in a brook; he can't write his name or read a book.

To fool the people is his only thought, and though he's slippery, he still gets caught;

But then if that sort of life is what you wish, you may grow up to be a fish.

And all the monkeys aren't in the zoo; every day you meet quite a few.

So you see it's all up to you -- You can be better than you are,

You..could..be..swing..in'..on..a..star,
