TEACH ME TONIGHT

Intro:

Did you say, “I’ve got a lot to learn?”
Well, don’t think I’m trying not to learn

Since this is the perfect spot to learn………

Starting with the “A, B, C” of it,
right down to the “X, Y, Z” of it.

Help me solve this mystery of it……

The sky’s a blackboard high above you,
if a shooting star goes by

I’ll use that star to write I love you,
a thousand times across the sky.

One thing isn’t very clear, my love
should the teacher stand so near, my love,

Graduation’s almost here, my love……
