Intro: Teen angel, teen angel, teen angel, ooh ooh

That fateful night, the car was stalled, up-on the railroad track.

I pulled you out and we were safe, but you went running back.

Chorus:

Teen angel, can you hear me? Teen angel, can you see me?

Are you somewhere up above, and am I still your own true love?

What was it you were looking for, that took your life that night?

They said they found my high-school ring, clutched in your fingers, tight.

Chorus

Just sweet sixteen, and now you're gone, they've taken you a-way.

I'll never kiss your lips again, they buried you to-day.

Chorus and coda

CODA:

Teen angel, teen angel, answer me, please.
