

TELL HER ABOUT IT (BAR)-Billy Joel

4/4 1...2...1234

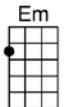

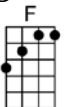

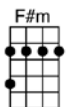

Intro: |  |  |  | (X2)

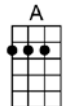

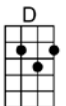

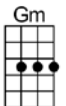

Listen boy, I don't want to see you let a good thing slip a-way
Oh, listen boy, I'm sure that you think you got it all under con - trol
Listen, boy, it's not automatically a certain guaran - tee

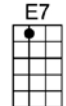

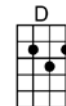

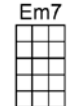

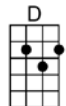

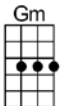

You know I don't like watching anybody make the same mistakes I made
You don't want somebody telling you the way to stay in someone's soul
To in-sure yourself, you've got to provide communi-cation constant - ly

She's a real nice girl and she's always there for you
You're a big boy now and you'll never let her go
When you love someone you're always inse - cure

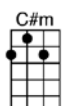

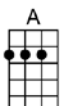

1. But a nice girl wouldn't tell you what you should do (2nd verse)

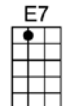

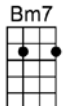

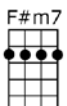

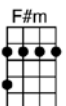

2. But that's just the kind of thing she ought to know (1st chorus)
3. And there's only one good way to reas - sure (2nd chorus)

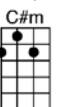

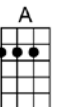

Chorus:

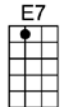

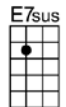

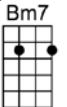

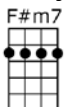

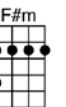

1. Tell her about it, tell her everything you feel
2. Tell her about it, let her know how much you care

Give her every reason to ac-cept that you're for real
When she can't be with you, tell her you wish you were there

Tell her about it, tell her all your crazy dreams
Tell her about it every day before you leave

Let her know you need her, let her know how much she means (Interlude)
Pay her some at-tention, give her something to be-lieve (bridge)

p.2. Tell Her About It

Interlude:    (X2), then 3rd verse
Ohoo

Bridge:

      
'Cause now and then she gets to worrying, just be-cause you haven't spoken for so long
      

And though you may not have done anything, will that be a conso-lation when she's gone

  
Listen boy, it's good information from a man who's made mis-takes

  
Just a word or two that she gets from you could be the difference that it makes

  
She's a trusting soul, she put her trust in you

    
But a girl like that won't tell you what you should do

Chorus:

     
Tell her about it, tell her everything you feel, give her every reason to ac-cept that you're for real

 
Tell her about it, tell her all your crazy dreams

   
Let her know you need her, let her know how much she means

Coda:

  
Tell her about it, tell her how you feel right now
Tell her about it, the girl don't want to wait too long
You got to tell her about it, tell her now and you won't go wrong
You got to tell her about it be-fore it gets too late,
You got to tell her about it... (fade)
