

# THANK HEAVEN FOR LITTLE GIRLS

4/4

-Lerner and Loewe

Each time I see a little girl of five or six or seven

I can't resist a joyous urge to smile and say:

Thank hea - ven for little girls, for little girls get bigger every day

Thank heaven for little girls, they grow up in the most de-lightful way.

Those little eyes, so helpless and ap-pealing

One day will flash, and send you crashing through the ceiling

Thank hea - ven for little girls. Thank heaven for them all

No matter where, no matter who, with-out them, what would little boys do

Thank hea - ven, thank hea - ven, thank hea - ven for lit - tle girls.
