THANK HEAVEN FOR LITTLE GIRLS

Each time I see a little girl of five or six or seven
I can’t resist a joyous urge to smile and say:

Thank heaven for little girls, for little girls get bigger every day
Thank heaven for little girls, they grow up in the most de-lightful way.

Those little eyes, so helpless and ap-pealing
One day will flash, and send you crashing through the ceiling

Thank heaven for little girls.
Thank heaven for them all

No matter where, no matter who, with-out them, what would little boys do

Thank heaven for little girls, thank heaven for little girls.
