THAT LONESOME ROAD

Look down, look down that lonesome road, before you travel on
True love, true love, what have I done, that you should treat me so?

Look up, look up and seek your maker, before Gabriel blows his horn.
You caused me to walk and talk, like I never did before.

I’m weary totin’ such a load, trudgin’ down that lonesome road

1. Look down, look down that lonesome road, before you travel on. REPEAT

2. Look down, look down that lonesome road, before you travel on,

Be-fore you travel on, be-fore you travel on...
