INTRO: 1st line

I can only give you love that lasts for-ever,

and the promise to be near each time you call

And the only heart I own, for you and you a-lone, that's all,

that's all

I can only give you country walks in springtime,

and a hand to hold when leaves begin to fall

And a love whose burning light, will warm the winter night, that's all,

that's all

There are those I am sure who have told you

they would give you the world for a toy

All I have are these arms to en-fold you

and a love time can never de-destroy

If you're wondering what I'm asking in re-turn dear,

You'll be glad to know that my demands are small

Say it's me that you'll a-dore for now and ever-more, that's all,

that's all
