

SING A

THAT'S THE WAY IT'S GONNA BE (TTWIGBe)_(BAR)

Intro:   
 4 4 8

  
 Though you say that all the good times are gone

 
 Though you say the rain will keep rainin' on

  
 I'll walk along with my head held high

  
 Find that song and I'll sing it to the sky

  
 I may be wrong but I'll live until I die

  
 TTWIGBe wait and see...even

  
 Though you say the devil knocks at my door

 
 Though you say my ship will not reach the shore

  
 I've got a will and a thousand ways

  
 I've got a dream and a thousand better days

  
 I've got a smile that just stays and stays

p.2 That's the Way It's Gonna Be

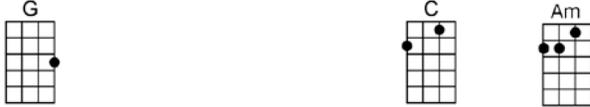

TTWIGBe, wait and see....even

Though you say I've reached the end of my road

Though you say the tides are all runnin' low

Detour's awaitin' for me round the bend

I won't stay down til the count of ten

Said it before and I'll say it a-gain

TTWIGBe wait and see....even

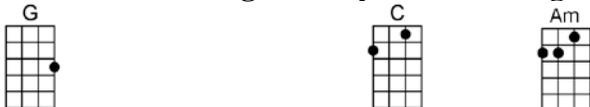

Though you say that all the good times are gone

Though you say the rain will keep rainin' on

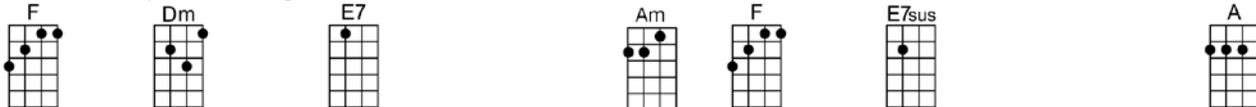

I'll walk along with my head held high

Find that song and I'll sing it to the sky

I may be wrong but I'll live until I die

TTWIGBe wait and see, just you wait and see.....just you wait and see!
