THERE GOES MY BABY - Ben E. King/Patterson

4/4 1...2...1234 - Treadwell/Leiber/Stoller

Intro:   

There goes my baby, movin' on down the line.

Wonder where, wonder where, wonder where she is bound

I broke her heart, and made her cry.

Now I'm alone, so all alone, what can I do, what can I do?

(There goes my baby), whoa, oh, (there goes my baby) yeah, yeah, yeah, yeah

(There goes my baby), whoa, oh, (there she goes) yeah, I wanna know if she loves me

Did she really love me? Was she just playing me for a fool?

I wonder why she left me, why did she leave me, so all a-lone, so all a-lone?

I just wanna tell her that I love her, and that I need her beside my side, to be my guide

I wanna know, where is my......where is my baby, I want my baby, I need my baby.

Yeah, whoa, oh (there goes my baby) whoa, oh (there goes my baby) etc. (fade)
