THERE'S ALWAYS SOMETHING THERE TO REMIND ME

4/4 1...2...1234

Burt Bacharach/Hal David

Intro:  /  /  /  /

I walk a-long the city streets you used to walk along with me

And every step I take re- calls how much in love we used to be

Oh, how can I for-get you, when there is

Always something there to remind me, always something there to remind me

I was born to love you, and I will never be free

You'll always be a part of me. Wo, wo, wo,

    

When shadows fall, I pass a small cafe where we would dance at night

   

And I can't help recalling how it felt to kiss and hold you tight

p.2. There's Always Something There To Remind Me

Oh, how can I for-get you, when there is

Always something there to remind me, always something there to remind me

I was born to love you, and I will never be free

You'll always be a part of me. Wo, wo, wo, wo, wo, wo,

If you should find you miss the sweet and tender love we used to share

Just come back to the places where we used to go, and I'll be there

Oh, how can I for-get you, when there is

Always something there to remind me, always something there to remind me

I was born to love you, and I will never be free, when there is, when there is

When... there... is...always something there to remind me

THERE'S ALWAYS SOMETHING THERE TO REMIND ME
