This Little Bird

Intro:  (4 measures)

There’s a little bird that somebody sends down to the earth, to live on the wind

Born on the wind, and he sleeps on the wind, this little bird that somebody sends

He’s light and fragile, and feathered sky blue, so thin and graceful, the sun shines through

This little bird that lives on the wind, this little bird that somebody sends

He flies so high up in the sky, out of reach of human eye

And the only time that he touches the ground,

Is when that little bird, is when that little bird, is when that little bird dies
