

THIS ONE'S FOR YOU - Barry Manilow/Marty Panzer

4/4 1...2...1234 (slow count)

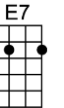

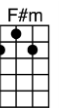

Intro: |   |

This one will never sell, they'll never understand.
I've done a hundred songs, from fanta - sies to lies

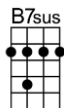

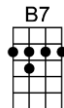

I don't even sing it well, I try, but I just can't
But this one's so real for me, that I'm the one who cries

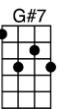

But I sing it every night, and I fight to keep it in
And I sing it every night, and I fight to hide the tears

'Cause this one's for you, this one's for you (2nd verse)
'Cause this one's for you, this one's for you

This one's for you, where-ever you are

To say that nothing's been the same since we've been a-part

    

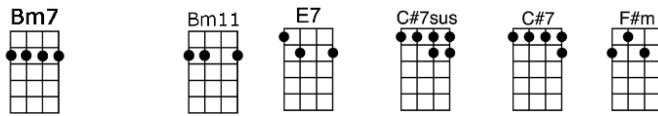

This one's for all the love we once knew

       

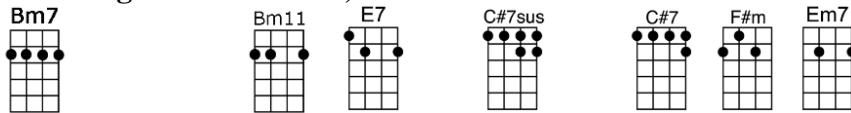

Like everything else I have, this one's for you ohhhhh

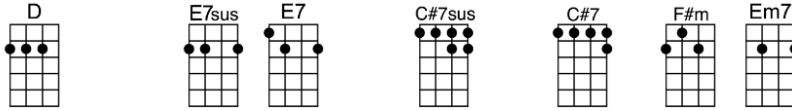

p.2. This One's For You

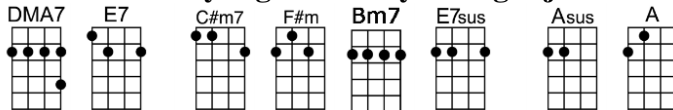

I've got it all it seems, for all it means to me

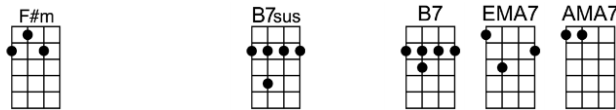

But I sing of things I miss and things that used to be

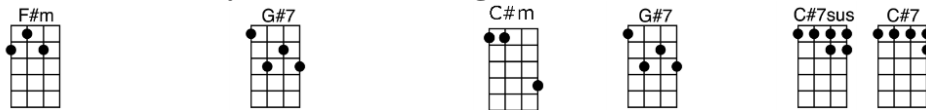

And I wonder every night if you might just miss me too

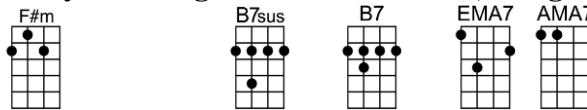

And I sing for you, I sing for you

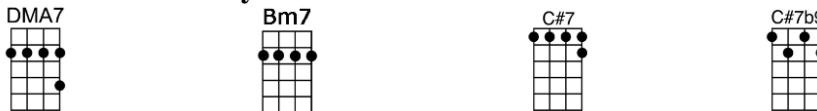

This one's for you where-ever I go

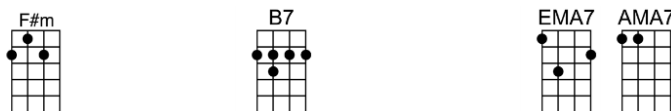

To say the things I should have said, things that you should know

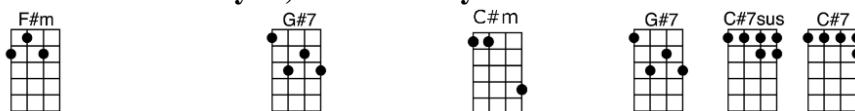

This one's to say that all I can do

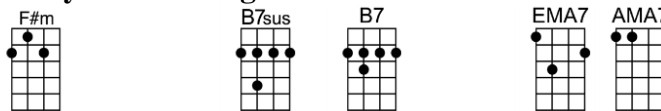

Is hope that you will hear me sing, 'cause this one's for you ohhhh

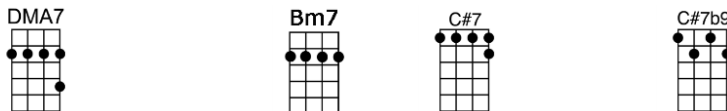

This one's for you, where-ever you are

To say that nothing's been the same since we've been a-part (fade)

This one's for all the love we once knew

Like everything else I have, this one's for you
