THROUGH THE YEARS

Intro: First line

I can’t remember when you weren’t there, when I didn’t care for anyone but you

I swear we’ve been through every-thing there is, can’t imagine anything we’ve missed

Can’t imagine anything the two of us can’t do

Through the years, you’ve never let me down, you’ve turned my life a-round

The sweetest days I’ve found, I’ve found with you

Through the years, I’ve never been a-fraid, I’ve loved the life we’ve made

And I’m so glad I’ve stayed right here with you, through the years

I can’t remember what I used to do, who I trusted, who I listened to be-fore

I swear you’ve taught me every-thing I know, can’t imagine needing someone so

But through the years it seems to me, I need you more and more
Through the years, through all the good and bad, I know how much we had

I’ve always been so glad to be with you

Through the years, it’s better every day, you’ve kissed my tears a-way

As long as it’s o-kay, I’ll stay with you through the years

Through the years, when everything went wrong, to-gether we were strong

I know that I be-long right here with you

Through the years, I never had a doubt, we’d always work things out

I’ve learned what life’s a-bout, by loving you through the years

Interlude:

Through the years, you’ve never let me down, you’ve turned my life a-round

The sweetest days I’ve found, I’ve found with you

Through the years, it’s better every day, you’ve kissed my tears a-way

As long as it’s o-kay, I’ll stay with you through the years
