Another turning point, a fork stuck in the road

Time grabs you by the wrist, di- rects you where to go

So make the best of this test and don't ask why

It's not a question, but a lesson learned in time

It's something unpre- dictable, but in the end it's right

I hope you had the time of your life

So take the photographs and still frames in your mind

Hang it on a shelf in good health and good time
p.2. Time of Your Life

Tattoos of memories and dead skin on trial

For what it's worth, it was worth all the while

It's something unpredictable, but in the end it's right

I hope you had the time of your life

Interlude: (X4)

It's something unpredictable, but in the end it's right

I hope you had the time of your life

It's something unpredictable, but in the end it's right

I hope you had the time of your life
