Intro: |  |  |  |  |  |  |

  a certain kind of light,  that never shone on me 

There's a light,

I want my life to be lived with you, lived with you

There's a way, everybody say, to do each and every little thing

But what does it bring if I ain't got you, ain't got you? Baby,

You don't know what it's like, baby, you don't know what it's like

To love some-body, to love some-body, the way I love you

   

In my brain, I see your face again, I know my frame of mind

   

You ain't got to be so blind, and I'm blind, so, so very blind

p.2. To Love Somebody

I'm a man, can't you see what I am, I live and I breathe for you

But what good does that do if I ain't got you, ain't got you? Baby,

You don't know what it's like, baby, you don't know what it's like

To love some-body, to love some-body, the way I love you. Oh.....

You don't know what it's like, baby, you don't know what it's like

To love some-body, to love some-body, the way I love you

To love some-body, to love some-body, the way I love you
