TO LOVE SOMEBODY (BAR)-Barry and Robin Gibb

4/4  1...2...1234

Intro:  |  |  |  |  |

There's a light, a certain kind of light, that never shone on me
I want my life to be lived with you, lived with you

There's a way, everybody say, to do each and every little thing
But what does it bring if I ain't got you, ain't got you? Baby,

You don't know what it's like, baby, you don't know what it's like

To love some-body, to love some-body, the way I love you

In my brain, I see your face again, I know my frame of mind
You ain't got to be so blind, and I'm blind, so, so very blind
I'm a man, can't you see what I am, I live and I breathe for you
But what good does that do if I ain't got you, ain't got you? Baby,

You don't know what it's like, baby, you don't know what it's like
To love some-body, to love some-body, the way I love you. Oh......

You don't know what it's like, baby, you don't know what it's like
To love some-body, to love some-body, the way I love you
To love some-body, to love some-body, the way I love you
