

# TOOK THE LAST TRAIN - David Gates

4/4 1...2...1234 (slow count)

**Intro:** |  |  | **(X4)** |  |  |  |  |  |  |  |  |

 |  |  |  |

Took the last train to St. Tropez. Had in mind to dance the night away

 |  |  |  |

Experimented with a cognac high. When in France, you give everything a try

 |  |  |  |

Soon the crowd dwindled down to two. Not a soul around but me and you

 |  |  |  |

You just smiled in French and took my hand. Spoke the words I tried my best to understand

 |  |  |  |  |

You're tellin' me, "Viens chez moi, ce soir va jamais terminer

 |  |  |

On va rester tou-jours ensemble."

 |  |  |  |

You're tellin' me, "Come with me. To-night will last forever

 |  |  |  |

We will stay together always, my love

## p.2. Took the Last Train

### Interlude: First 2 lines

Woke the next day and found her note.

Love ya, goodbye, that's all she wrote

And every night down at the place we met,

I wait for her and those sweet words I can't forget

You're tellin' me, "Viens chez moi, ce soir va jamais termi-ner

On va rester tou-jours ensemble."

'Cause I want you to come with me. To-night will last forever

We will stay together always,

I need you baby,

need you, need you bad.

I took the last train, St. Tropez. I took the last train, St. Tropez (repeat, and fade)
