TRACKS OF MY TEARS
4/4 1...2...1234  -Smokey Robinson/Pete Moore/Marv Tarplin

Intro: |   |

People say I'm the life of the party, 'cause I tell a joke or two

Although I might be laughing loud and hearty, deep in-side I'm blue

So take a good look at my face, you know my smile looks out of place

If you look closer, it's easy to trace the tracks of my tears

Whoa oh,

I need you, (need you) need you (need you)

Since you left me, if you see me with another girl, lookin’ like I’m having fun

Although she might be cute, she's just a substi-tute, because you're the permanent one
p.2. Tracks of My Tears

So take a good look at my face, you know my smile looks out of place

If you look closer, it's easy to trace the tracks of my tears

Whoa oh,

(Out-side) I'm masquerading, (in-side) my hope is fading

(I'm just a clown) well, since you put me down

My smile is my make-up I wear since my break-up with you

Baby, take a good look at my face, you know my smile looks out of place

If you look closer, it's easy to trace the tracks of my tears

Oh, baby, take a good look at my face, you know my smile looks out of place

If you look closer, it's easy to trace the tracks of my tears
