**Intro**

Trouble in mind, I'm blue, but I won't be blue al-ways
Trouble in mind, that's true, I have almost lost my mind
For the sun will shine in my back door some-day (2nd verse)
Life ain't worth livin', feel like I could die

**Interlude**

Trouble in mind, I'm blue, my poor heart is beating slow
I'm goin' down to the river, gonna take me a rockin' chair
Never had no trouble in my life be-fore ("I’m goin down..."
And if the blues don't leave me, I'll rock on away from here

Trouble in mind, I'm blue, but I won't be blue al-ways
For the sun will shine in my back door some-day
