# TUESDAY HEARTBREAK<sub>(BAR)</sub>-Stevie Wonder

4/4 1...2...123 (without intro)

**Intro:**  (4 measures)

Tuesday heartbreak seems to be un-fair

'Cause you say that you found an-other man

Tuesday breakup, guess you just don't care

'Cause you found you an-other man

I want to be with you when you're all alone

I want to be with you when you feel you got

You got an-other man, baby, baby, aw, baby al-right

I wanna be with you when the nighttime comes

 

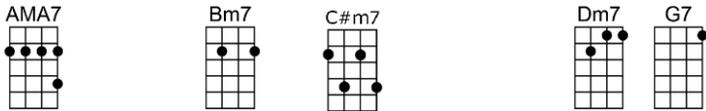

I wanna be with you when the daytime comes

   

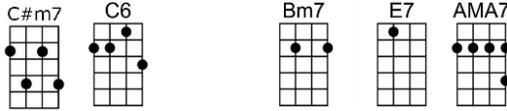

I wanna stay, oh, baby, let me stay, baby, with you

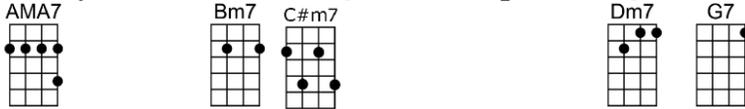

**p.2. Tuesday Heartbreak**

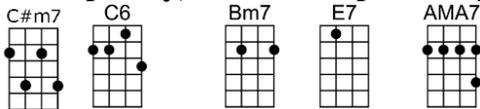

**Tuesday heartbreak seems to be a drag**

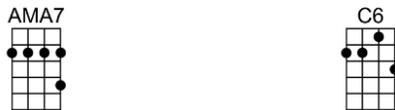

**When you know that you love a special lady**

**Catch up baby, catch up with my dreams**

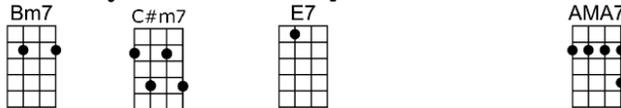

**Maybe then I can see you all the time**

**But, I wanna be with you when the nighttime comes**

**I wanna be with you when the daytime comes**

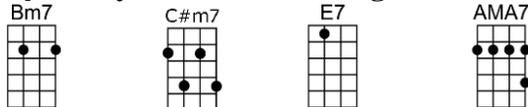

**I wanna stay and never go a-way, oh, baby, it's al-right**

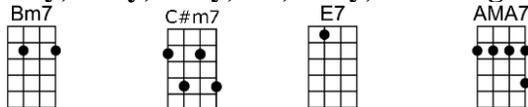

**I wanna be with you when the nighttime comes**

**I wanna stay with you till the morning runs**

**I wanna, baby, baby, baby, aw, baby, it's al-right**

**I wanna, baby, baby, baby, aw, baby, it's al-right**
