UNTIL IT’S TIME FOR YOU TO GO

3/4 123 12 (without intro) - Buffy Sainte-Marie

Intro: | | | | |

You're not a dream, you're not an angel, you're a woman/man

I'm not a king/queen, I'm a man/woman, take my hand

We'll make a space in the lives that we'd planned

And here we'll stay until it's time for you to go

Yes, we're different worlds a-part, we're not the same

We laughed and played at the start like in a game

You could have stayed outside my heart but in you came

And here you'll stay until it's time for you to go

Don't ask why. Don't ask how.

Don't ask for-ever. Love me now
p.2. Until It’s Time For You To Go

This love of mine had no beginning, it has no end

I was an oak, now I'm a willow, now I can bend

And, though I'll never in my life see you again

Still, I'll stay until it's time for you to go

Don't ask why of me. Don't ask how of me. Don't ask for-ever of me. Love me, love me now

You're not a dream, you're not an angel, you're a woman/man

I'm not a king/queen, I'm a man/woman, take my hand

We'll make a space in the lives that we'd planned

And here we'll stay until it's time for you to go

And here we'll stay until it's time for you to go
