VAYA CON DIOS

3/4  123  12  (If sung with no intro)

Intro:

Now the hacienda’s dark.. the town.. is sleeping,

Now the time has come to part,     the time.. for weep -ing

Vaya con dios, my darling, may God be with you,      my love.

Now the village mission bells… are soft..ly ringing.

If you listen with your heart... you’ll hear.. them sing - ing

Vaya con dios, my darling, may God be with you,      my love.

Wher-ever you may be        I’ll  be.. be-side you, al-though you’re many million dreams a-way

Each night I’ll say a prayer,       a prayer.. to guide you, to hasten every lonely hour… of every lonely day

Now the dawn is breaking through… a gray.. to-morrow,

But the memories we share       are there.. to bor - row

Vaya con dios, my darling, may God be with you,      my love.
