Sometimes the world is a valley of heartaches and tears
And in the hustle and bustle, no sunshine appears
But you and I have our love always there to remind us
There is a way we can leave all the shadows behind us

1. Volare, oh, oh, can-tare, oh oh oh oh
2. Volare, oh, oh, can-tare, oh oh oh oh

Let's fly way up in the clouds, a-way from the maddening crowds
Nel blu dipinto di blu, felice di stare las-su

We can sing in the glow of a star that I know of where lovers enjoy peace of mind
E volavo, volavo felice piu in alto del sole ed ancora piu su

Let us leave the confusion and all disillusion behind
Mentre il mondo pian piano spa-riva, lon-tano lag-giu

Just like birds of a feather, a rainbow together we'll find
Una musica dolce suo-nava sol-tanto per me (2nd verse)
Volare

No wonder my happy heart sings, your love has given me wings

We can sing in the glow of a star that I know of where lovers en-joy peace of mind

Let us leave the con-fusion and all disil-lusion be-hind

Just like birds of a feather, a rainbow to-gether we'll find

No wonder my happy heart sings, vo-lare..... let's fly a-way
VOLARE  - Domenico Modugno/Franco Migliacci
4/4  - Eng lyrics - Mitchell Parish

Sometimes the world is a valley of heartaches and tears
And in the hustle and bustle, no sunshine ap-pears
But you and I have our love always there to re-mind us
There is a way we can leave all the shadows be-hind us

Vo - lare, oh, oh, can-tare, oh oh oh oh
Let's fly way up in the clouds, a-way from the maddening crowds
We can sing in the glow of a star that I know of where lovers en-joy peace of mind
Let us leave the con-fusion and all disil-usion be-hind
Just like birds of a feather, a rainbow to-gether we'll find

No wonder my happy heart si-ngs, your love has given me wings
We can sing in the glow of a star that I know of where lovers en-joy peace of mind
Let us leave the con-fusion and all disil-usion be-hind
Just like birds of a feather, a rainbow to-gether we'll find

Vo - lare, oh, oh, can-tare, oh oh oh oh
Let us leave the con-fusion and all disil-usion be-hind
Just like birds of a feather, a rainbow to-gether we'll find

No wonder my happy heart si-ngs, vo-lare..... let's fly a-way
