You put the boom-boom into my heart, you send my soul sky high when your lovin' starts
You took the grey skies out of my way, you make the sun shine brighter than Doris Day

Jitterbug into my brain goes a-bang-bang-bang 'til my feet do the same
You turned a bright spark into a flame, my beats per minute never been the same

But somethin's bugging you, somethin' ain't right, my best friend told me what you did last night
'Cause you're my lady, I'm your fool, it makes me crazy when you act so cruel

Left me sleepin' in my bed, I was dreamin', but I should have been with you instead.
Come on, baby, let's not fight, we'll go dancin', everything will be all right

CHORUS:

Wake me up before you go-go, don't leave me hangin' on like a yo-yo

Wake me up before you go-go, I don't want to miss it when you hit that high
p.2. Wake Me Up Before You Go-Go

Wake me up before you go-go, 'cause I'm not plannin' on going solo

Wake me up before you go-go, take me dancin' to-night.

1. I wanna hit that high                yeah, yeah! (second verse)

2. I wanna hit that high                yeah, yeah, yeah!

Instrumental-                          (Jitterbug)

Cuddle up, baby, move in tight, we'll go dancin' to-morrow night

It's cold out there, but it's warm in bed, they can dance, we'll stay home instead
