4/4 1234 1 (without intro)

**Intro:**  /  /  /  /

The water is wide, I can't cross o'er, and neither have I wings to fly

Give me a boat that can carry two, and both shall row my love and I

Now love is gen - tle, love is kind, the sweetest flower when first it's new

But love grows old, and waxes cold, and fades a-way like morning dew

There is a ship, and she sails the sea, she's loaded deep as deep can be

But not so deep as the love I'm in. I know not how I sink or swim

The water is wide, I can't cross o'er, and neither have I wings to fly

Give me a boat that can carry two, and both shall row my love and I

And both shall row my love and I
